Mulligans: You cannot use a Mulligan shot to count as the Proxy shot. A Mulligan is a stroke in golf that is played from the same spot that a player hit their previous stroke, looking to re-do the prior shot. Your first shot is the one you must use when it counts towards a proxy prize.

EXAMPLES OF PROXY'S YOU WILL FIND ON THE COURSE

Closest to the Pin - 1st Shot : Your first Tee Shot that lands on the green. Move the Proxy to where your Ball comes to a stop, if it is closer than the previous golfers shot, and mark your name on the Proxy.

Sand Shot : If your ball lands in any Sand Trap on that particular hole, mark your name on the Proxy card located next to the Green.
